### **Hospital Foundation elects new executive board**

Teton Valley Hospital Foundation Board of Directors held annual executive board elections during their regular meeting on October 15th. Gil Hundley assumed the helm as President with Ted Bryson, D.D.S., elected Vice President. Carol Hall and Justine (Dusty) Hardman were re-elected to Secretary and Treasurer, respectively.

“This is a challenging and exciting time to serve as President of the Hospital Foundation. We have a great team and everyone brings important skills to the table,” says Hundley. “Our board is looking forward to working closely with the Hospital Trustees and our community.”

The eight-person board also includes Tammy Brown, John Hansford, Jeff Naylor, and Gay Peacock.

The Hospital Foundation was formed in 1994 to help build support for the then-new expansion of Teton Valley Hospital. Since that time, donations from the community have allowed the purchase of many life-saving and essential healthcare items including a Jaws-of-Life extrication vehicle, ER instruments, handheld EKG transmitters, mammography and ultrasound imaging equipment, a Central Cardiac Monitoring System, and Operating Room furnishings.

For further information on how you can be a part of or a contributor to Teton Valley Hospital Foundation, please call the Development office at 354-6301 or visit our webpage at [www.tvhcare.org](http://www.tvhcare.org).
